

# Quality Policy Statement

**IMB Construction Ltd is committed to the delivering to its clients the highest level of quality workmanship and service to ensure a successful outcome on their projects. Our commitment to and capability on quality management is achieved by:**

- Establishing, monitoring and auditing management system consistent with the NZCF Civil Construction Management Code and the certification requirements of ISO 900
- Providing sufficient and suitable resources to implement and maintain quality system
- Employing suitably qualified, skilled, experienced and motivated employees
- Educating and training in order to continually improve employee skills, awareness and knowledge of quality issues and practices
- Identifying, investigating and satisfactorily resolving all non-conformances as part of a drive for continued improvement
- Monitoring and evaluating the quality performance of consultants, subcontractors and suppliers and implementing effective communicating with them on quality and non-conformance issues
- Annually reviewing quality objectives, targets and policy as part of a drive for continuous improvement
